

IMPORTANT PRODUCT RECALL

EG7930 WORLD'S SMALLEST MICROSCOPE

Product Recall Notice: 16th August 2022

Product Name: World's Smallest Microscope

Product Code: EG7930

We have identified that the above product produced by Funtime Gifts Ltd is no longer compliant with regulations.

We have identified that this product presents a risk to young children, as the battery cover can be removed with one action, allowing easy access to the cell batteries and if swallowed there is a high risk of burns to internal organs.

We take the quality and safety of the products we sell extremely seriously and would like to apologise to customers affected and for any inconvenience this may cause.

We are asking that consumers stop using this item with immediate effect and return it to where it was purchased for a full refund.

Should you have any queries regarding this please contact Funtime Gifts on 0208 856 4699, email custserv@funtimegifts.co.uk
